

COVID Guidelines Update for Church

from Council 9-2-21 and updated 9-7-21

We are excited to welcome everyone back to in-person worship, in addition to our Zoom worship. Please note the church requires universal masking.

To enter the building, mask up.

- 1) We are now doing hybrid worship; both Zoom and In-person. we request that all in the sanctuary wear masks, sit socially distant. Worship leaders in the front, 25 feet distant from others, may remove their masks when they lead worship. Children under 2 are not required to mask.
- 2) Singing is not allowed from the pews. Spoken responses in worship are fine.
- 3) We are now welcoming people to outdoor fellowship and coffee hour after worship, under the canopy outside the church doors.
- 4) If you are feeling sick, please stay home. It's the faithful thing to do. Please Zoom!
- 5) Also, it is totally fine if you are not ready to join us in-person, for any reason. Please Zoom!

Our Deacons and Council are evaluating pandemic conditions, and best practices of other congregations, and will give updated guidelines to the congregation as the situation changes.
